

SELF BUILD AND HOMEBUILDING MORTGAGE FINANCE

Move your project forward with Protek's Self Build Mortgage service provided by Peritus Private Finance

Funding is released at 7 stages during the build

1. Land
Plus minimum of outline planning permission

2. Substructure
Foundation stage

3. Eaves height
Before the roof trusses

4. Wind and watertight
Roof tiled

5. First fix
Pipes, wires and plasterboard

6. Second fix
Kitchen, Bathrooms, finishing touches

7. Certified completion

Protek are delighted to be offering customers a tailored funding solution delivered by expert mortgage advisers, Peritus.

“Our adviser’s combined product knowledge, total commitment and support enabled our mortgage application to run very smoothly throughout the entire process. We are now enjoying our new home. I strongly recommend Peritus Private Finance to anyone considering the same journey.”

Build your dream home with the help of a self build mortgage. Specialist self build mortgages don't work like regular high street mortgages as the funds are released in stages throughout the build. As such they can be challenging to source.
